Middletown Township Public Library Awarded Local Honor

Middletown Township, NJ- The Board and staff of the Middletown Township Public Library are pleased and excited to be voted once again, One of the "Best of the Best" Public Libraries in the Asbury Park Press Reader's 2020 Choice Award.

Middletown Township residents recognize the importance of our library in the community. Mayor Tony Perry offered, "Congratulations to the Middletown Township Public Library for once again being named one of the best libraries in Monmouth County. The dedication of the staff and volunteers truly makes our library the great resource it is for our residents."

Library Director Heather Andolsen said, "The library is a historic township service, and we are grateful for the enduring enthusiastic support of the Middletown Township community as the library enters its centennial anniversary in 2021." Mayor Tony Perry added, "As we prepare to celebrate the library's 100th anniversary, we look forward to continuing the great work of the beloved public library."

To prepare for the next chapter in library history, the library introduces a new logo depicting our relationship with the past, the present, and the future of our expanded world. To learn more about the new logo and keep up on upcoming centennial events, visit the enhanced website at mtpl.org, and learn how to download a new user-friendly mobile app for mobile devices.
